PRESS RELEASE: FOR IMMEDIATE RELEASE

**THE GEARY GALLERY IN DARIEN PRESENTS:
“CONNECTICUT LANDSCAPES: THE PAINTINGS OF TONY D’AMICO”**

February 14, 2011, Darien, CT...The Geary Gallery of Darien (www.gearygallery.com) invites visitors to view the paintings of Connecticut-based landscape artist, Tony D'Amico. Equally comfortable working as a plein air painter as well as in the studio, Tony's work

conveys an idealized yet representational interpretation of the locations he paints, whether it's the land, sea or city. He has studied with a number of nationally recognized artists such as David Dunlop of PBS's series *Landscapes Through Time*, Scott Waddell, Gabor Svagrik, and Chris Magadini.

Most recently, Tony is associated with a group of painters who are led and inspired by his good friend and noted artist, Donald Demers. Tony's paintings have won numerous awards and are in a number of municipal and private collections. He is a member of the CT Plein Air Painters, Lyme Art Association, Rowayton Arts Center, Oil Painters of America. His works were recently shown at The Plein Air Painters Annual Juried Exhibition and The New England Landscape Invitational.

Beginning his career as a commercial artist/illustrator, Tony had enjoyed a very successful business career holding corporate management positions and developing creative campaigns. He later founded his own promotional marketing agency, Creative Alliance in Southport, CT. The sale of the agency allowed Tony the time necessary to focus solely on his fine art career.

Connecticut art lovers will love a visit Geary Gallery to view D'Amico's works, most of which are landscapes of local locations. Admission to the public is free, and artwork is available for acquisition. The Geary Gallery is open to the public Wednesdays – Saturdays, 9:30 am – 5:00 pm. It is located at 576 Boston Post Road, Darien, CT 06820. For more information, contact (203) 655-6633 or visit www.gearygallery.com.
