**SPRING IS IN FULL BLOOM AT  
THE GEARY GALLERY IN DARIEN  
FEATURING THE ROMANTIC NATURE SCAPES  
OF NEW ENGLAND PAINTER, BARBARA LUSSIER**

Darien, CT, May 14, 2010...Spring is in the air at the Geary Gallery of Darien where the romantic nature scapes of New England painter, Barbara Lussier are on exhibit now through June. Lussier's paintings explore the romance of color and light on landscapes and have been described as “poetry.” A visit to the gallery to explore the wealth of her works is a premier destination for lovers of art throughout Southeastern Connecticut.

Ms. Lussier grew up on the coastline of Nahant, Massachusetts, where she took inspiration from the mysteries and wonder of the sea, as well as the majesty and aesthetics of the wildflowers and trees of New England. Her imagery of farmland, mountains, rocky shores and sandy beaches evoke the wonderful, bright, hopeful months of Spring, and inspired Geary Gallery to pay tribute to her works this season.

To view Ms. Lussier's magnificent works, visit Geary's [online gallery](#), and information about her life and inspirations can be found [here](#).

There is no admission fee, and The Geary Gallery is open to the public Wednesdays – Saturdays, 9:30 am – 5:00 pm. The Gallery is located at 576 Boston Post Road, Darien, CT 06820. For more information, contact (203) 655-6633 or visit [www.gearygallery.com](http://www.gearygallery.com).
